Privacy Policy

We know that your privacy is important to you and we strive to protect the confidentiality of your nonpublic personal information. We do not disclose any nonpublic personal information about our customers or former customers to anyone, except as permitted or required by law. We believe we maintain appropriate physical, electronic and procedural safeguards to ensure the security of your nonpublic personal information. Eligibility

All international students, scholars or other persons with a current passport or student visa (F-1, J-1, or M-1) attending Florida Coastal School of Law are required to have adequate health insurance. If you do not have other insurance, you are required to complete the enrollment materials and make the appropriate payment prior to registration. All of the students taking 9 credit hours or 6 credit hours in the summer and attending Florida Coastal School of Law are eligible to enroll in this insurance plan.

Students must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, Internet classes and television (TV) courses do not fulfill the Eligibility requirements that the student actively attend classes. The Company maintains its right to investigate student status and attendance records to verify that the Policy Eligibility requirements have been met. If the Company discovers that the Policy Eligibility requirements have not been met, its only obligation is refund of premium.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the spouse and children under 25 years of age who are not self-supporting; who live with the Insured or who are a full-time or part-time student.

Dependent Eligibility expires concurrently with that of the Insured student.

Effective and Termination Dates

The Master Policy on file at the school becomes effective August 15, 2008. Coverage becomes effective on the first day of the period for which premium is paid or the date the enrollment form and full premium are received by the Company (or its authorized representative), whichever is later. The Master Policy terminates August 14, 2009. Coverage terminates on that date or at the end of the period through which premium is paid, whichever is earlier. Dependent coverage will not be effective prior to that of the Insured student or extend beyond that of the Insured student. Refunds of premiums are allowed only upon entry into the armed forces. The policy is a Non-Renewable One Year Term Policy.

You must meet the Eligibility requirements each time you pay a premium to continue insurance coverage. To avoid a lapse in coverage, the premium must be received within 14 days after the coverage expiration date. **It is the student's responsibility to make timely renewal payments to avoid a lapse in coverage.**

Extension of Benefits After Termination

The coverage provided under the Policy ceases on the Termination Date. However, if an Insured is Totally Disabled on the Termination Date from a covered Injury or Sickness for which benefits are payable before the Termination Date, Covered Medical Expenses for such Injury or Sickness will continue to be paid as long as the condition continues but not to exceed 12 months after the Termination Date.

However, if an Insured is pregnant on the Termination Date and the conception occurred while covered under this policy, Covered Medical Expenses for such pregnancy will continue to be paid through the term of the pregnancy.

The total payments made in respect of the Insured for such condition both before and after the Termination Date will never exceed the Maximum Benefit. After this "Extension of Benefits" provision has been exhausted, all benefits cease to exist, and under no circumstances will further payments be made.

Preferred Provider Information

“Preferred Providers” are the Physicians, Hospitals and other health care providers who have contracted to provide specific medical care at negotiated prices. Preferred Providers in the local school area are members of UnitedHealthcare Options PPO.

The availability of specific providers is subject to change without notice. Insured’s should always confirm that a Preferred Provider is participating at the time services are required by calling the Company at 1-800-505-4160 and/or by asking the provider when making an appointment for services.

“Preferred Allowance” means the amount a Preferred Provider will accept as payment in full for Covered Medical Expenses.

“Out of Network” providers have not agreed to any prearranged fee schedules. Insured’s may incur significant out-of-pocket expenses with these providers. Charges in excess of the insurance payment are the Insured’s responsibility.

“Network Area” means the 50 mile radius around the local school campus the Named Insured is attending.

Regardless of the provider, each Insured is responsible for the payment of their Deductible. The Deductible must be satisfied before benefits are paid. The Company will pay according to the benefit limits in the Schedule of Benefits.

Maternity Testing

This policy does not cover routine, preventive or screening examinations or testing unless Medical Necessity is established based on medical records. The following maternity routine tests and screening exams will be considered, if all other policy provisions have been met. This includes a pregnancy test, CBC, Hepatitis B Surface Antigen, Rubella Screen, Syphilis Screen, Chlamydia, HIV, Gonorrhea, Toxoplasmosis, Blood Typing ABO, RH Blood Antibody Screen; Urinalysis, Urine Bacterial Culture, Microbial Nucleic Acid Probe, AFP Blood Screening, Pap Smear, and Glucose Challenge Test (at 24-28 weeks gestation). One Ultrasound will be considered in every pregnancy, without additional diagnosis. Any subsequent ultrasounds can be considered if a claim is submitted with the Pregnancy Record and Ultrasound report that establishes Medical Necessity. Additionally, the following tests will be considered for women over 35 years of age: Amniocentesis/AFP Screening; and Chromosome Testing. Fetal Stress/Non-Stress tests are payable. Pre-natal vitamins are not covered. For additional information regarding Maternity Testing, please call the Company at 1-800-505-4160.

Excess Provision

Even if you have other insurance, the Plan may cover unpaid balances, Deductibles and pay those eligible medical expenses not covered by other insurance.

Benefits will be paid on the unpaid balances after your other insurance has paid. No benefits are payable for any expense incurred for Injury or Sickness which has been paid or is payable by other valid and collectible group insurance or under an automobile insurance policy.

However, this Excess Provision will not be applied to the first \$100 of medical expenses incurred.

Covered Medical Expenses excludes amounts not covered by the primary carrier due to penalties imposed as a result of the Insured's failure to comply with policy provisions or requirements.

Important: The Excess Provision has no practical application if you do not have other medical insurance or if your other insurance does not cover the loss.

The coverage for Newborn Infant consists of coverage for Injury or Sickness including necessary care and treatment of medically diagnosed congenital defects, birth abnormalities, or prematurity, and transportation cost of the newborn to and from the nearest available facility appropriately staffed and equipped to treat the newborn's condition, when such transportation is certified by the attending Physician as necessary to protect the health and safety of the Newborn Infant.
