Eligibility

All full-time and part-time students, scholars or other persons with a current passport who: (1) are engaged in international educational activities; and (2) are temporarily located outside his/her home country as a non-resident alien; and (3) have not obtained permanent residency status, are eligible to enroll in this insurance Plan. Students enrolled in an Optional Practical Training program (with F-1 or J-1 visa), who were previously enrolled in this Plan are eligible to enroll.

Students must actively attend classes for at least the first 31 days after the date for which coverage is purchased, with the exception of those with a J-Visa or those enrolled in an Optional Practical Training program. Home study, correspondence, Internet, and television (TV) courses do not fulfill the Eligibility requirements that the student actively attend classes. The Company maintains its right to investigate student status and attendance records to verify that the Policy Eligibility requirements have been met. If the Company discovers the Eligibility requirements have not been met, its only obligation is to refund premium.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the spouse and unmarried children under 19 years of age or 24 if a full-time dependent student at an accredited institution of higher learning. If the dependent remains a full-time student upon attaining the age of twenty-four (24), but not exceeding the age of twenty-nine (29), such child shall remain a dependent under the policy.

Effective and Termination Dates

The Master Policy on file at the school becomes effective on August 01, 2008. The individual student's coverage becomes effective on the first day of the period for which premium is paid or the date the enrollment form and full premium are received by the Company (or its authorized representative), whichever is later. The Master Policy terminates on October 31, 2009. Coverage terminates on that date or at the end of the period through which premium is paid, whichever is earlier. Twelve (12) months is the maximum time coverage can be effective under any policy year for any Insured Person. Dependent coverage will not be effective prior to that of the Insured student or extend beyond that of the Insured student.

You must meet the Eligibility requirements each time you pay a premium to continue insurance coverage. To avoid a lapse in coverage, your premium must be received within 14 days after the coverage expiration date. It is the student's responsibility to make timely renewal payments to avoid a lapse in coverage.

Refunds of premiums are allowed only upon entry into the armed forces.

The Policy is a Non-Renewable One Year Term Policy.

Choice of Plan

Each eligible participant has a choice of one of the three benefit Plans, which have significant benefit differences between them. Please review each plan carefully to choose which plan best meets your own individual needs. Make your selection carefully, you cannot change coverage after the initial purchase of the Plan for the policy year.

Extension of Benefits After Termination

The coverage provided under the Policy ceases on the Termination Date. However, if an Insured incurs medical expenses within 30 days of the Termination Date from a covered Injury or Sickness for which benefits paid before the Termination Date, Covered Medical Expenses for such Injury or Sickness will continue to be paid as follows provided the condition continues:

1. When not Hospital Confined on the Termination Date, not to exceed 90 days after the Termination Date; or
2. When Hospital Confined on the Termination Date, not to exceed 12 months after the Termination Date.

The total payments made in respect of the Insured for such condition both before and after the Termination Date will never exceed the Maximum Benefit. After the "Extension of Benefits After Termination" provision has been exhausted, all benefits cease to exist, and under no circumstances will further payments be made.

Preferred Providers in the local school area are the Physicians and Hospitals of UnitedHealthcare Options PPO. To find a participating provider, please go to icsweb.org.

Please be aware that if an Insured is treated at a Preferred Provider Hospital, it does not mean that all providers at that Hospital are Preferred Providers. In addition, if an Insured is referred by a Preferred Provider to another provider or facility, it does not mean that the provider or facility to which the Insured is referred is also a Preferred Provider.

The availability of specific providers is subject to change without notice. Insured's should always confirm that a Preferred Provider is participating at the time services are required by calling the Company at 1-800-505-4160 and/or by asking the provider when making an appointment for services.

"Preferred Allowance" means the amount a Preferred Provider will accept as payment in full for Covered Medical Expenses.

"Out of Network" providers have not agreed to any prearranged fee schedules. Insured's may incur significant out-of-pocket expenses with these providers. Charges in excess of the insurance payment are the Insured's responsibility.

Regardless of the provider, each Insured is responsible for the payment of their Deductible. The Deductible must be satisfied before benefits are paid. The Company will pay according to the benefit limits in the Schedule of Benefits.

Inpatient Hospital Expenses

PREFERRED HOSPITALS - Eligible inpatient Hospital expenses at a Preferred Hospital will be paid at the coinsurance percentages specified in the Schedule of Benefits, up to any limits specified in the Schedule of Benefits. Call (800) 505-4160 for information about Preferred Hospitals.

Outpatient Hospital Expenses

Preferred Providers may discount bills for outpatient Hospital expenses. Benefits are paid according to the Schedule of Benefits. Insureds are responsible for any amounts that exceed the benefits shown in the Schedule, up to the Preferred Allowance.

Professional & Other Expenses

Benefits for Covered Medical Expenses provided by UnitedHealthcare Options PPO will be paid at the coinsurance percentages in the Schedule of Benefits or up to any limits specified in the Schedule of Benefits. All other providers will be paid according to the benefit limits in the Schedule of Benefits.
